Mr. Birt Gardner,
Mt. Carmel, Utah

RE : LONG VALLEY DIST.

Dear Sir:

This will acknowledge receipt of your letter of April 9 in which the Adjudication Committee on Long Valley distribution recommends a budget for expenditures to be made for distribution during the season of 1935. It is noted you have cut the rate in half, which will give a total assessment of \$73.13, which when added to the balance on hand of \$29.70 makes a total of \$102.83 as against your proposed budget of \$102.50. You are cutting the assessment too close to the estimated expenditures. This leaves nothing for unpaid assessments. However, it is possible that this might be met by collections of amounts past due. At any rate your recommendation will be followed and if there be a deficiency at the end of the season, it will of necessity have to fall on the Water Commissioner. I shall do all possible however, to make collections.

You failed to submit the budget on the regular form and make recommendation for a Water Commissioner. I am therefore, returning the form for completion. Please complete same and return at the earliest possible moment.

I am also enclosing herewith a copy of a letter written to the Muddy Irrigation Company % D.W.P. Stevens.

Yours very truly,

T.H. Humpherys,
STATE ENGINEER
